Navy (Allotment Code 420)

Air Force (Allotment Code N090261)

Marine Corps (Allotment Code 059)

US Coast Guard (Allotment Code 275)

*****Allotment codes for all retired branches is 420*****

1. Two months premium must accompany the application if immediate issue is desired, otherwise the application will be held for issue until we receive the first allotment.

2. Policies are always dated the 10th of the month. If two months of premium are received with the application, the policy will be dated the 10th of the month in which the policy is approved. Otherwise the policy will be dated the 10th of the month in which the first allotment is received.

3. It is the responsibility of the client to start the allotment using the system established by the Government. The allotment should be made payable to Protective Life Insurance, P O Box 12687, Birmingham, 35202-6687. Please provide the allotter with the correct Blanket Allotment Code listed above.

4. Please mark on the application the branch of service of the employee. If the employee is not the insured, include the Social Security Number of the employee on the verification form on the application.

5. You may want to include for our purposes in the following group number in the "Special Request" section of the application. This information can be helpful to Underwriting and issue in submitting the case.

Army 000007 Navy 000008 Air Force 000009 Marines 000088

NOTE: Please do not confuse this number with the Blanket Allotment Code required for the military branch and Finance Office.

NOTE: Government Allotment Cases: It is the responsibility of the individual to have the deductions set up. These cases should not be on Form 8 when placed in force; therefore, these cases should be processed in NB.

In order to start the government allotment, the individual will need to go online to complete the government allotment form. Protective does not provide this form.
